THE GRAVITY RESTAURANT LEADERSHIP SYSTEM

ONE SYSTEM. REAL RESTAURANT WORK.

Start with the problem in front of you. Use the smallest useful Gravity tool, standard, book, or system—then connect the work only when the connection adds value.

GRAVITY GUIDE + BOOK READER

Ask Gravity what to do next, where to find a tool, or how the pieces connect.
Open current Gravity books in the Book Reader and listen with the shared natural Gravity voice.
Books teach the method. Gravity tools help execute and hold the work.

THE IMPROVEMENT METHOD

FIND → PROVE → PRIORITIZE → PLAN → INSTALL → MEASURE → CORRECT → VERIFY → HOLD → IMPROVE
